Dear Mr. Krueger:

This acknowledges receipt of your application for a permit for a miscellaneous structure on Pigeon Lake in Section 23, T25, R14E in the City of Clintonville in Waupaca County.

Our field staff are currently evaluating your proposal. Depending on the amount of information you provided and the complexity of your project, you may be asked to provide additional information so that a complete evaluation can be made. We will notify you of the final disposition of your application as soon as we complete our review. Scott Koehnke, Water Management Specialist, (715) 526-4232 will review your application for permit approval.

If you have not already done so, please contact the county zoning office (715) 258-6255 to determine if a local permit is also required for your project. I have forwarded a copy of your application to the U.S. Army Corps of Engineers. They will advise you directly as to whether their regulations apply to your project.

Sincerely,
